A mobile app login screen with a white background and a black border. At the top left is a back arrow icon. The main text is 'Please login, in order to pay' in a green monospace font. Below this is the label 'Payment Email:' followed by a green rectangular input field with the placeholder text 'Email'. Underneath is the label 'Password of payment' followed by another green rectangular input field with the placeholder text 'Password'. At the bottom center is a large green circle containing the word 'Finish' in white monospace font.

Finish

A mobile app mockup for a 'Friends' section. The screen has a white background with a black border. At the top left is a circular back arrow icon. The word 'Friends' is displayed in a large, green, italicized serif font. Below it is a green icon of a person silhouette with a plus sign. There are two input fields: the first is preceded by a green envelope icon and labeled 'Email or Username'; the second is preceded by a green phone handset icon and labeled 'Phone Number'. A green rectangular button with the text 'Submit Friend Request' is positioned below the input fields.

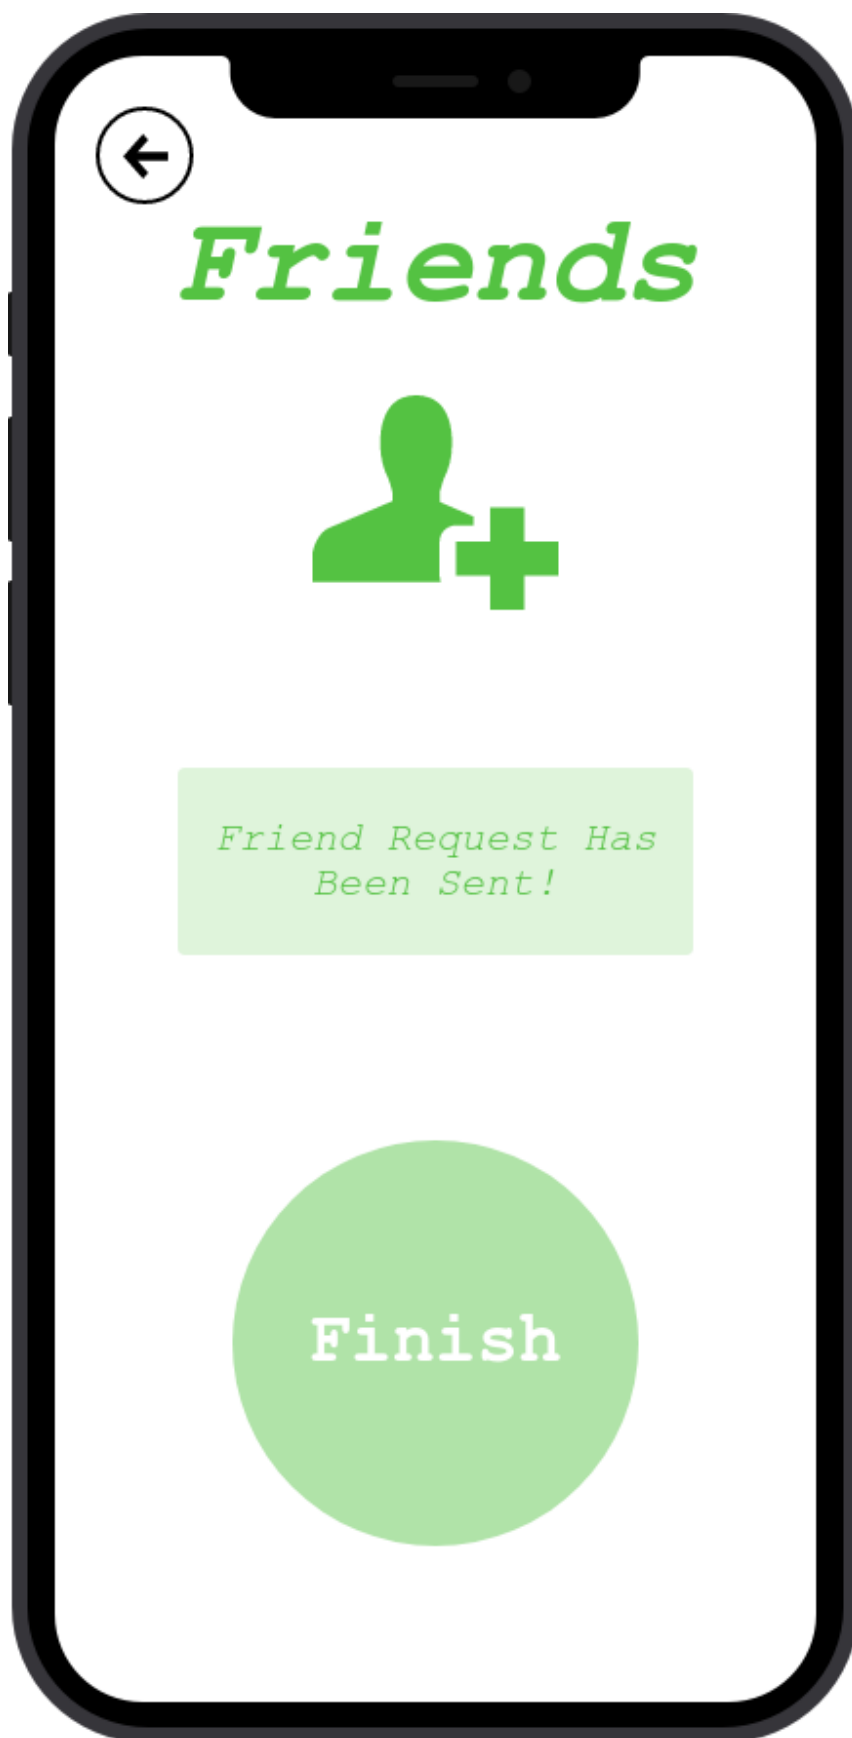

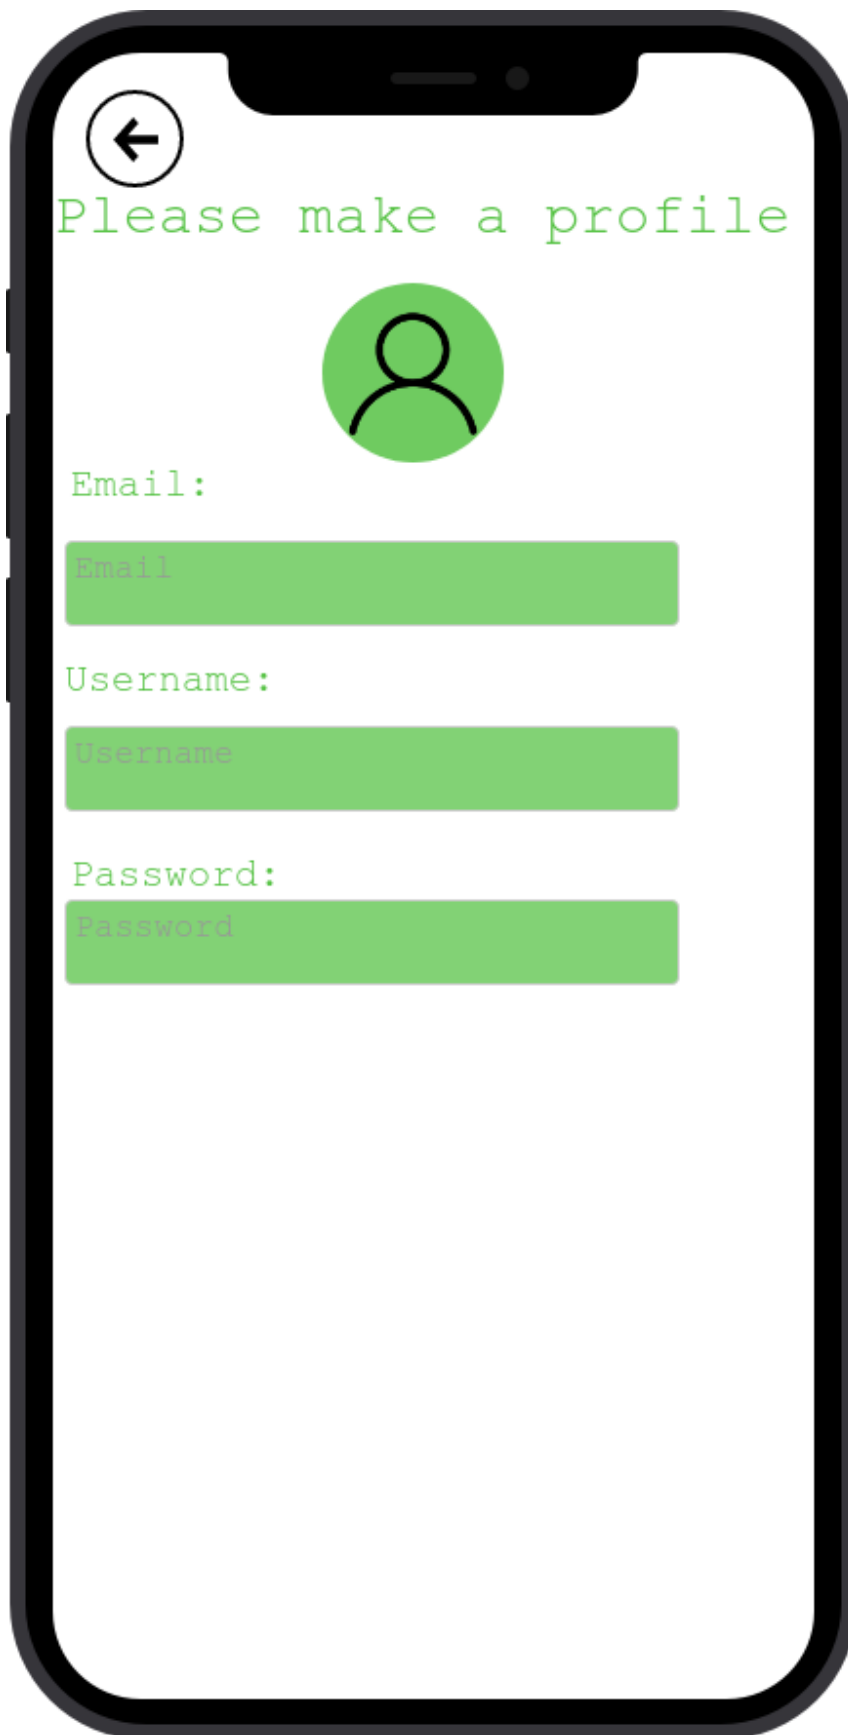

Friends

A mobile app mockup for a profile creation screen. The screen is white with a black border. At the top left is a back arrow icon. The title 'Please make a profile' is in a green monospace font. Below it is a green circular placeholder for a profile picture with a black person icon. There are three form fields, each with a green label and a green input box: 'Email:', 'Username:', and 'Password:'. The input boxes contain the placeholder text 'Email', 'Username', and 'Password' respectively.
